AD0071 – Hot-Rolled Steel Plate from South Korea

Our client: Samsung C&T Corporation

Dear AD0071 Case-handling team,

Our client, Samsung C&T Corporation, would like to register interest and cooperate in the AD0071 investigation [CONFIDENTIAL – reasons for the delayed registration of interest].

Our client is an unrelated trader involved in the exportation of the product under investigation – hot-rolled steel plate (quarto plate), and has been active during the investigation period. Our client intends to ensure active and quality cooperation with the Trade Remedies Authority, and is preparing responses to the questionnaire for unrelated traders. We remain at your assistance.

Sincerely

Bogdan Evtimov, Managing Partner
