The scope of this review

Goods subject to review

This review covers steel goods exported from Oman, United Arab Emirates (UAE), and Egypt described as:

Product Number	Product Category	Commodity Codes
13	Rebar	72142000, 72149910

These steel goods are currently classifiable within the commodity code(s) listed above. These commodity codes are only given for information.

In this document, these goods will be referred to as the goods subject to review. Any reference to goods subject to review in this document refers to the goods described above, regardless of the commodity code under which they are exported.

Like goods

Any reference to 'like goods' in this document refers to goods produced in the UK or imported to the UK from a country other than Oman, UAE, and Egypt which are like the goods subject to review in all respects, or with characteristics closely resembling them.

Please follow the instructions for each question to provide the appropriate information regarding the goods subject to review or like goods.

For more information about this case, you may refer to the Notice of Initiation published at: [Trade remedies \(trade-remedies.service.gov.uk\)](https://trade-remedies.service.gov.uk)

Instructions

Who should complete this form?

You should complete this form if you would like to register your interest in this case.

Note about confidentiality

You will need to submit one confidential version and one non-confidential version of this document.

Please ensure that each page of information you provide is clearly marked either “Confidential” or “Non-Confidential” in the header.

It is your responsibility to ensure that the non-confidential version does not contain any confidential information, which includes personal contact information, names and signatures.

Please see the [TRA'S public guidance](#) for further information on what can be considered confidential and how to prepare a non-confidential version of this document.

All information provided to the Trade Remedies Authority (TRA) in confidence will be treated accordingly and only used for this investigation (except in limited circumstances as permitted by regulation 46 of the Trade Remedies (Dumping and Subsidisation) (EU Exit) Regulations 2019) and will be stored in protected systems.

The non-confidential version of your submission will be placed on the public file, which is available on: [Trade remedies \(trade-remedies.service.gov.uk\)](https://trade-remedies.service.gov.uk)

Section A – Your organisation’s interest in the case

To register your organisation’s interest in this review, please complete the text boxes below.

Please describe your role with regards to the goods subject to review:

EFS is an Egyptian producer and exporter of the goods subject to review.

Please describe your interest in this review:

As a producer and exporter of the goods subject to review, EFS has a direct interest in this review.

Section B – Additional information

Please use the box below to provide information about anything else you consider relevant to this review

EFS is part of Ezz Steel. Ezz Steel is the Middle East's leading steel producer of high-quality long and flat steel products for use in a wide range of end applications.

Now you have reached the end of this document please ensure that you have prepared a confidential and non-confidential version and indicated the status of each within the header. The non-confidential version should redact personal contact information, names, and signatures. Please return both versions to the TRA using the Trade Remedies Service (trade-remedies.service.gov.uk).
