The scope of this investigation

Goods concerned

This investigation covers certain engine oils and hydraulic fluids exported from Lithuania and the United Arab Emirates, described as:

- Certain engine oils and hydraulic fluids. This includes passenger car motor oils, heavy duty commercial vehicle oils and hydraulic oils, grades: 5W-30, 5W-40, 0W-16, 0W-20, 0W-30, 10W-40, 10W-30, 20W-50, S40, S50, 15W-40, ISO32, ISO46, ISO68, HV32, HV46 and HV68.

These goods are currently classifiable within the following commodity codes:

- *ex 27101981*
- *ex 27101983*

These commodity codes are only given for information.

In this document, these goods will be referred to as the goods concerned'. Any reference to 'goods concerned' in this document refers to the goods description above, regardless of the commodity code under which they are exported.

Like goods

Any reference to '**like goods**' in this document refers to goods produced in the UK or imported to the UK from a country other than Lithuania or the United Arab Emirates which are like the goods concerned in all respects, or with characteristics closely resembling them.

Please follow the instructions for each question to provide the appropriate information regarding the goods concerned or like goods.

For more information about this case, you may refer to the Notice of Initiation published at: <https://www.trade-remedies.service.gov.uk/public/case/AD0059/>

Instructions

Who should complete this form?

You should complete this form if you are one of the party types listed at the beginning of this document.

If you are a UK producer of the like goods, importer or overseas exporter of the goods concerned, please complete the relevant Pre-Sampling Questionnaire.

Note about confidentiality

You will need to submit one confidential version and one non-confidential version of this document.

Please ensure that each page of information you provide is clearly marked either “Confidential” or “Non-Confidential” in the header.

It is your responsibility to ensure that the non-confidential version does not contain any confidential information, which includes personal contact information, names and signatures.

Please see the TRA’s [public guidance](#) for further information on what can be considered confidential and how to prepare a non-confidential version of this document.

All information provided to the Trade Remedies Authority (TRA) in confidence will be treated accordingly and only used for this investigation (except in limited circumstances as permitted by regulation 46 of the Trade Remedies (Dumping and Subsidisation) (EU Exit) Regulations 2019) and will be stored in protected systems.

The non-confidential version of your submission will be placed on the public file, which is available: <https://www.trade-remedies.service.gov.uk/public/case/AD0059/>

Section A – Your organisation’s interest in the case

To register your organisation’s interest in this investigation, please complete the text boxes below.

Please describe your role with regards to the like goods and/or goods concerned:

We are a wholesaler of Engine Oils and Lubricants

Please describe your interest in this investigation:

We are a wholesaler of Engine Oils and Lubricants

Section B – Additional information

B1 – Other interested parties

If you believe there are producers, overseas exporters, importers and other interested parties that should receive this document, please provide their organisation name and website details below.

| Organisation name | Website |
|-------------------|---------|
| | |
| | |
| | |

B2 – Particular Market Situation

If you have any concerns or information about the possible existence of a particular market situation in the exporting country or territory, please provide details in the box below. This can include examples such as:

- Prices are artificially low
- There is significant barter trade (e.g. goods exchanged for other goods)
- Prices reflect non-commercial factors; or
- Anything else.

The products listed are not priced artificially low.
There are products blended in UK from UK origin that are being retailed in Ireland at prices lower than we can import from the UK company selling certain engine oils and hydraulic fluids exported from Lithuania and the United Arab Emirates.

B3 - Scope

Do you agree with the scope of the investigation as outlined on page 4?

- Yes
- No

If you have answered “no” to the above question, please can you explain why?

Click or tap here to enter text.

B4 – Economic Interest Test

It is a requirement of the investigation to conduct an Economic Interest Test (EIT). The aim of the EIT is to determine whether the implementation of the proposed trade remedy measure is in the wider economic interest of the UK. In order to obtain a complete picture of the UK market, could you please help by providing us with details of any known UK suppliers (upstream companies providing inputs) and UK customers (downstream companies buying the like goods). We would like to use any contact details you provide to get in touch with these companies, although there is no obligation on you to provide this information.

| | Company name | Company location (city, country) | Company contact information (email/telephone) | Upstream or downstream |
|---|--------------|----------------------------------|---|------------------------|
| 1 | | | | |
| 2 | | | | |
| 3 | | | | |
| 4 | | | | |

B5 – Anything else

Please use the box below to provide information about anything else you consider relevant to this investigation.

Now you have reached the end of this document please ensure that you have prepared a confidential and non-confidential version and indicated the status of each within the header. The non-confidential version should redact personal contact information, names, and signatures. Please return both versions to the TRA using the Trade Remedies Service (trade-remedies.service.gov.uk).
