Instructions

The Trade Remedies Authority (TRA) will be carrying out a transition review of the EU trade remedy measure which will consider whether the dumped imports of Bicycles and certain bicycle parts originating in the People's Republic of China would be likely to continue or recur if the anti-dumping duty were no longer applied to those goods, and injury to the UK industry in the like goods would be likely to continue or recur if the anti-dumping duty were no longer applied to those goods.
