TRA review of review of anti-dumping and countervailing measures on US/Canadian FAME

Dear Sirs

At a meeting of the UK Oil Industry Tax Committee (UKOITC), Indirect Taxes, on 22 January 2026 the Committee agreed that sufficient members had interest in the matters being investigated by the TRA that this would be a permanent agenda item and a sub-group would be formed to determine a customs technical position and member opinion for submission to TRA investigations.

Under that authority UKOITC registers this preliminary interest in the two reviews.

Yours sincerely
