Appendix A7.2 contains the company's product brochure and technical specification documents for new excavator models and cannot be disclosed because it is confidential by nature within the meaning of Regulation 45 of the Trade Remedies (Dumping and Subsidisation) (EU Exit) Regulations 2019. The document contains confidential product-specific technical specification, performance and marketing information, as well as the model designation itself, disclosure of which would provide significant competitive advantage to competitors and have an adverse effect on the company supplying the information. Hence, confidentiality is hereby requested.
